

“If what you want is RF Power, high performance, reliability, and customization, then we are a No Brainer”

Choosing the right RF power amplifier is critical. But, thanks to AR Modular RF, it's an easy choice.

Our RF power amplifiers give you exactly the power and frequency you need.

With power up to 5kW; and frequency bands from 200 kHz to 6 GHz.

They also deliver the performance and the dependability required for

any job. When everything depends on an amplifier that performs without fail, time after time, you can count on AR Modular RF. These amplifiers are compact and rack-mountable; and versatile enough to power all kinds of units, for easy field interchangeability.

For military tactical radios, wireless communication systems, homeland defense systems, high-tech medical equipment, sonar systems, and so much more, your best source for RF power amplifiers is AR Modular RF.

To get the power you need, the features you want, and the performance you demand, visit us at www.arworld.us or call us at 425-485-9000.
