

*“If what you want is
RF Power, high performance,
reliability, and customization,
then we are a No Brainer”*

When you need RF power amplifiers, you shouldn't have to settle for whatever's on the shelf.

You should have the power, frequency, and all the features you want in exactly the size you need.

Chances are, we have what you're looking for. If not, we can customize quickly and affordably.

AR Modular RF provides the power for military tactical radios, wireless communication systems, homeland defense systems, high-tech medical equipment, sonar systems, and more.

Challenge us to deliver the power you need. And the features you want.

To learn more, visit us at www.arworld.us or call us at 425-485-9000.
